## MEDICARE RULES NOTIFICATION

Medicare Annual Exams are not covered by Medicare. Medicare will cover a portion of the exam that are categorized as a screening service once every 2 years unless you meet certain criteria they have determined as high-risk.

Patient out of pocket cost estimate: Established Patient/\$175    New Patient/\$205

## MANAGED MEDICARE RULES NOTIFICATION

The Medicare Advantage Programs each have rules specific to your individual plans. Many of those plans do not cover this service. You will be asked to sign a waiver indicating your understanding of the cost of service. The Annual Wellness Visit that is covered by Medicare is to address general medicine, not gynecological needs.
